

PART 6: PIECING IT ALL TOGETHER

Instructions: Make sure you're done with the source analysis before completing this! Refer back to your prediction in Part 3 about why El Paso officials created the "disinfecting" stations. Use that to complete this reflection and synthesizing activity.

Initially I predicted that El Paso officials created the "disinfecting" stations because...

After analyzing the available evidence, I _____ [*can confirm/must modify*] my initial prediction.

Explain your confirmation and/or modifications below, using evidence from today's class:

What questions remain for you after this investigation? What are you left wondering or feeling?
