

| Source | Who wrote this? Why does that matter? | What's the author saying in this source? <i>Summarize in your own words.</i> | Why does this matter in our research into the "disinfecting" stations? What might this source tell us IS or IS NOT the reason why US officials created the stations? | How does this source "interact" with Mayor Lea's telegram? Does it corroborate , add to , contradict , and/or complicate what he said? How so? Explain! |
